

Woolhampton CE Primary School Newsletter

8th September 2025

Dear parents/carers,

I would like to wish all of our families, old and new, a very warm welcome to the start of the 2025/26 academic year. Seeing how happy and excited the children were to be back with their friends and sharing news of their summers, made yesterday a really special day. The optimism for the new school year ahead was really evident from everyone.

Staff returned to school on Tuesday and we spent two days training and organising everything for the year ahead. We have planned in a number of events for this term and the dates will be shared shortly. In particular, we are looking forward to being able to share the newly refurbished hall and playground development with you in a parent/family afternoon booked for the 2nd October (more details to follow).

Our new intake have settled extremely well into Beech Class. Any initial reservations at drop off quickly disappear and every time I go into the classroom, they are all having a great time. The rest of the school have also settled well and they are clearly enjoying their new classrooms. Our Year 6 leaders will be starting their leadership roles next week. They will be learning about the British Values and democracy at the Houses of Parliament later this week and then they will introduce this to the rest of the school over the coming term.

Please keep an eye on our new Instagram page where we will be sharing photographs of all the things that we get up to in school.

I wish everyone a lovely week ahead.

Mrs Rebecca Cox
Headteacher, Woolhampton CE Primary School
