

# Woolhampton CE Primary School Newsletter

**17<sup>th</sup> October 2025**

Dear Parents and Carers,

This week our theme in school has been our school's Christian value of Koinonia. Koinonia is a Greek word meaning community and fellowship. At Woolhampton, this value centres around developing a sense of belonging where everyone knows that they are a valued member of our community. It also centres around developing a sense of responsibility that comes with being a member of a community. This week, children across the school have been learning the importance of contributing to their community. In collective worship, we have learned about people of faith who dedicated their lives to making a real difference in their communities and we have been thinking about what we can all do to make a difference – however big or small. Children have been doing this in a variety of ways – some children have asked if they can organise a charity event, others have been clearing leaves in the playground, others have been looking at ways of prompting wellbeing at breaktimes and this afternoon Year 5/6 spent some time helping get the hall looking it's best. Thank you children for helping to make our community the best it can be.

On the topic of community, I would like to say my continued thanks to FoWS who provide a huge contribution to our school community. Next week, they are holding their AGM and I am sure that the committee would welcome any new parents who would like to be involved. I know that the children are looking forward to the annual autumn crafts event that FoWS are running on Thursday.

Finally, we look forward to welcoming parents into school next week for Parent Meetings where teachers will be able to share how well the children have settled into the new school year.

I wish you all a lovely weekend,

Mrs Rebecca Cox  
Headteacher, Woolhampton CE Primary School
