

# Woolhampton CE Primary School Newsletter

16th January 2026

Dear Parents and Carers,

I have spent quite a lot of time this week in classes and it has been great to see how enthusiastic the children are about their learning. They are all so keen to share what they are doing and what they have learned. As a school, we have been focusing on developing a 'model for learning' which ensures that our teaching and learning methods are as up to date as possible and fully in-line with the latest educational research. Our aim is to ensure that we maximise the learning opportunities for all children – our mantra is 'Everybody Engaged, Everybody Learning'. Our hard work is clearly paying off with children knowing and remembering more – and loving their learning at the same time!

Next week, we aim to have our first wellbeing walk for children in KS2 who would like to come along. This will provide the opportunity to talk, share concerns, make connections or just have a little bit of quiet time during the week. Children will be able to sign up on a weekly basis, but they must have wellies/trainers and a pair of jogging bottoms/legging or waterproof trousers to protect their uniform. This will just be in the immediate local area so we do not need parents to sign up.

I have some exciting news to share – Mrs Smith has been busy arranging a couple of whole school trips. Being together as a whole school community is a really important part of Woolhampton school and it helps our school value of Koinonia. Arranging whole school activities helps build a strong sense of community through shared experiences. More details about the trips will be released soon!

I wish you all a lovely weekend,

Mrs Rebecca Cox  
Headteacher, Woolhampton CE Primary School
