

Woolhampton CE Primary School Newsletter

6th February 2026

Dear Parents and Carers,

I have just returned to my office from one of my walk arounds, something that I like to do throughout the day. Each time, I see another reminder of why I am so proud of our school. I decided to compare it to what AI could tell me about our school based on our recent Ofsted inspection – it was remarkably accurate and reflected exactly what I saw:

A happy, caring and inclusive school community

Pupils feel happy, safe, and part of a close-knit community. They have warm, trusting relationships with staff and enjoy coming to school each day.

Strong personal development

Personal development is a clear strength. Pupils learn how to be tolerant, open-minded citizens and understand healthy relationships, well-being, and diversity from an early age.

Productive classrooms

Pupils work hard, love learning and have ambitions to achieve their best, including those with SEND.

Broad, well-sequenced curriculum with committed staff

The school offers a broad and balanced curriculum with well-planned progression, supported by staff whose subject knowledge is strengthened through effective training.

Strong governance and leadership team

Leaders have ambition and clarity about the school's next steps. Governors provide consistent and effective challenge and support. Staff feel valued, trust leaders, and care for well-being.

If you too would like to come and experience our school in action, please do not hesitate to contact the office for an invite. We have plans to hold a parent event after half term, so please watch this space.

I wish you all a lovely weekend,

Mrs Rebecca Cox

Headteacher, Woolhampton CE Primary School

Sports News

Speed Stacking

KS2 - An amazing effort from six very talented girls who took part in the annual speed stacking competition at Theale last week. Although we narrowly missed a medal, coming third, we had two super results in the timed competition. Willow was 2nd fastest out of 10 schools with a time of 2.15 seconds and coming first with an absolutely spectacular time of 1.9 seconds was Jemima.

KS1 - Following that success, six Year 2 children attended the same event this week and with their determination, teamwork and superb sportsmanship won GOLD! To follow suit Emmett came away with another gold medal for the fastest speed stacking time.

There must be something in the Woolhampton water!

Taekwondo

Congratulations to all the children who attend Taekwondo Club on Thursday after school. Everyone passed their grading test this week and were awarded their certificates.

We are fundraising for Woolhampton CE Primary School village school and have organised a huge jumble sale of babies and kids' pre-loved stuff. We have loads of brilliant brands including Ralph Lauren, Diesel, JoJo Maman Bebe, Mini Boden, Polarn O. Pyret, White Stuff to name a few, really high quality pre-loved and we also have some brand new clothes with tags still on. Games, DVDs, scooters, Brio train track, sports equipment, baby stuff like cots, baby bath etc, football boots - anything you could possibly need for children of all ages babies to teens, as well as generic primary school uniform. We have 1000s of items all being sold at super low prices - worth a visit, so put it in your diary now. We really want to make it worth everyone's time to come, and are hoping to make a difference for families' bank balance, help our school and help the planet. Sunday 1st March! The hall is conveniently located on the A4 post RG7 5RE and we hope to sell cakes and tea and coffee and we have a playground just outside the village hall.

If anyone has any questions or would like to make donations please contact Joanna on this email.
