

# Woolhampton CE Primary School Newsletter

13th February 2026

Dear Parents and Carers,

This week has been Children's Mental Health week and the theme has been 'belonging' and what it means to truly belong. This fits in perfectly with our school value of Koinonia ('we live and learn as a community where everyone belongs'). Children's mental health and wellbeing is always a top priority for us, which is why our Personal Development is always considered to be strong, but this week we have had an extra focus on it. We have covered it in collective worships, during PHSE lessons and as part of additional activities organised by Mrs Leonard.

At our school, we have several members of staff who take on extra responsibility for mental health and wellbeing – Mrs Leonard, in her role as Autism Champion, Ms Smith, in her role as ELSA (Emotional Literacy Support Assistant), Mrs Perrin, in her role as SENCo and Mrs Howe, in her role as Forest School lead. We also have some very important pupil 'Wellbeing Ambassadors' who run wellbeing club and our weekly wellbeing walk. And, of course we have the children's favourite wellbeing dog – Dougal! Dougal trained as an Autism Assistance Dog and takes his wellbeing duties very seriously.

This week, we had our first prize draw for children who had been awarded 'Rock Star Tickets'. These awards are for demonstrating our school 'ROCK' values. Congratulations to those who won this time – we will be drawing our next winners after half term. All children who are awarded a Rock Star Ticket, also get to put a GEM in their class pot which will eventually lead to a whole class treat!

I wish all of our families a lovely half term break and look forward to seeing everyone on Monday 23<sup>rd</sup> February – we have some very exciting things planned for next half term so get plenty of rest!

Mrs Rebecca Cox  
Headteacher, Woolhampton CE Primary School

## Children's Mental Health Week

This week we have shone the spotlight on Children's Mental Health week. Our year six Collective Worship leaders led a Place2Be assembly for all our children highlighting that belonging is a fundamental need for positive mental health, helping children feel secure, supported, and valued. We celebrate our differences and advocate kindness everyday throughout our school community. This week we incorporated our school values into creative activities to mark the occasion. Each child designed their own 'My Place To Be' map to show places and people where they feel a sense of belonging. We have seen wonderful drawings of their loved pets, family, favourite activities and places they feel safe. Quite a lot of excitement, and anticipation, is growing amongst the children as we set them the mammoth challenge of making an enormous Kindness Chain to span through our entire school, from Beech to Oak Class! We have already seen some impressive chains forming and wonder which class will make the biggest one! We can't wait to share this with the children when they return from half term.

Mrs Leonard

# Wellbeing Ambassadors

On Mondays and Fridays we run a wellbeing club that consists of a bunch of activities like loom bands, lego, drawing, a range of games, reading and some singing. We also provide a wellbeing walk on a Tuesday where we will go on a walk around Douai field or have a stroll in the woods and play some games. However, the wellbeing club is for all ages but the wellbeing walk is only for key stage 2. This club helps children across Woolhampton school come together and make new friends.
