

Woolhampton CE Primary School Newsletter

13th March 2026

Dear Parents and Carers,

We have had a wonderfully busy and uplifting week here at school! We were thrilled to take part in two cross country events, where our pupils once again made us incredibly proud. Not only did we see some fantastic results, but every child demonstrated exceptional sportsmanship, determination and resilience. A special well done goes to Theo, who achieved an outstanding first place in the Bradfield event—an amazing accomplishment! Thank you to Mrs Javes for all her work organising all of the sporting events and opportunities that our children have.

On Wednesday, the whole school joined a live author event alongside other local schools. The author, Richard O'Neill MBE a Romani storyteller, award-winning author of over thirty books, was highly engaging and brought his craft to life for the children. As well as sharing extracts from his work, he walked the pupils through the writing process—drafting, proofreading and editing—mirroring the steps we use in school. Our children were eager participants and asked lots of thoughtful and insightful questions that really impressed the author. We shall be purchasing some of his books to have in school.

This morning, thanks to our wonderful FoWS volunteers, the children made some lovely Mothers Day gifts. They were all so proud of their creations and very excited at the thought of giving them. I still treasure my collection of primary school gifts from my children – nothing beats a handmade gift.

As I write, excitement is building throughout the school as disco fever takes hold! Everyone is looking forward to our first school disco in quite some time, and there is a real buzz in the air as we prepare for an evening of fun, music and dancing!

Thank you to our staff, families and pupils for contributing to another really positive week.

I wish you all a lovely weekend,

Mrs Rebecca Cox

Headteacher, Woolhampton CE Primary School
