

# Woolhampton CE Primary School Newsletter

5th June 2026

Dear Parents and Carers,

Welcome back to Summer Term 2. It is hard to believe that we are in the final term before the end of the academic year. This term is always busy, so please keep an eye on the newsletter for dates of up and coming events. If you need any clarification on what's happening when, or you think we might have missed something, please do not hesitate to contact us.

This week, Oak Class have been making the most of our relationship with Elstree. On Tuesday, they were invited to Elstree to take part in art, design and technology workshops, and then on Thursday, Elstree came here and ran some maths and French workshops. The Elstree children then lent a hand cleaning up our outside area – a big thank you to Elstree Year 8s and their teachers!

It was lovely to welcome so many families to our special collective worship this morning to celebrate 'World Environment Day'. Since our David Attenborough Day last month, the children have been thinking about the environment and what they can do to look after and protect it. They have had some great ideas of ways that they can help including litter picking, recycling, reducing and reusing single use plastic and the introduction of Fruity Friday. The latter is an Oak class initiative to encourage more healthy snacks and less waste. They will be finding out more and writing to you about this shortly. As I said in the collective worship this morning, our school values – particularly Respect, Optimism and Koinonia (community) have really shone through as the children have worked on this. We aim to support our children in becoming independent, optimistic young people who want to make a positive difference in the world, now and in the future and they have certainly been keen to embrace this.

If anyone has a photographs or videos from this morning that they would be happy to share, please can you send them to the office as we would love to have a record of the event.

I wish you all a lovely weekend,

Mrs Rebecca Cox  
Headteacher  
Woolhampton CE Primary School

## Important Request - Sun Hats, Sunscreen and Water Bottles

During the summer term, please make sure that items of clothing are clearly named, that sun hats are brought in, sunscreen is applied and water bottles provided. If the children are visiting Forest school it may be wise to apply some insect repellent too before coming into school.

## Safety at Drop-Off and Collection Time

To keep everyone safe please following these simple steps at drop off and collection time (and please ensure that anyone else dropping off or collecting your child is aware of this too):

**Parking** - please **do not** park on the double yellow lines, the yellow zigzag lines, on the bend or outside Elstree School entrance. When parking please take care not to mount the pavement, especially when pedestrians are walking along the path.

**Turning** – please do not turn around in the school gates, entrances to the staff car parks, or further down the road at the grass triangle point as this is a private road. If you do need to turn, please find a safe alternative place and remain courteous to other road users and residents - **do not use the private road triangle.**

Your cooperation in keeping our community safe is gratefully appreciated.
